your wedding day....*

Romantic Gardens

Upon entering the Chocksett Inn's romantic gardens, you and your guests will feel as though you have entered a private garden room, encompassed with lush green lawns, an abundance of flowers, and a white gazebo that is the perfect backdrop for on-site weddings and photographs.

Laurelwood Ballroom

This beautiful room accommodates wedding receptions from 40 to 275 guests. Upon entering, the Foyer will take your breath away with its cathedral ceilings, grand chandelier, private bar, and sitting area with fireplace that acts as the perfect setting for mingling among wedding guests during cocktail hour.

The Ballroom is a traditional New England setting where your wedding day dreams can come true. The room's chandeliers, French doors, neutral color palette, large dance floor, and romantic atmosphere is perfect for your wedding celebration with family and friends.

Tented Deck

The Tented Deck is the location for couples who are fond of nature. Located off the main Inn, with its babbling brook and peaceful charm, it becomes the perfect location for more intimate affairs accommodating up to 100 guests.
